

Warranty

This certificate ensures LIFETIME WARRANTY of the Astreea® model inside this box.

Lifetime warranty is applied for stainless steel parts (dispenser, pedal and top) in conditions of normal use (for hand sanitizing). This warranty covers the repair or replacement of the broken unit at our discretion.

This certificate does not provide coverage for canisters and pumps, screws, threads and rubber parts. This certificate does not provide coverage for lost/stolen products, vandalism or general misuse.

This certificate is void if altered in any way.
